Dear Mr. Wikert,

I am writing to you to express my interest in the real estate agent opening at RE/MAX Concepts. With an internship under my belt in real estate and digital media, I am more than confident in my abilities to add value to your team.

I majored in Digital Media Leadership at the University of Northern Iowa. The Digital Media Leadership program prepares creative leaders, like myself, for the challenges facing the media industry. Students develop media management strategies, entrepreneurial skills for producing, distributing, marketing and monetizing digital media content across platforms. In addition, my sales and advertising background has increased clientele reach.

I have been an athlete all my life and it has taught me endless strengths to bring over to the professional world. My accountability and time management have excelled in my college years, but more importantly my charisma. I am known for working well with others and building long lasting relationships with clients. I will continue to maintain a positive reputation and build my real estate legacy on going above and beyond for our clients.

I am excited about the opportunity to bring my skills and personality to your team. Thank you for considering my application. I look forward to discussing my qualifications and how they align with RE/MAX Concepts.

Sincerely,

*Maya McDermott*
